Western Gallery;

accent on Spirit

Western Gallery is not only a collection of pictures and words about Western Hills, but of feelings. The feeling of walking through a crowded hall, of scoring the winning points at a Basketball game, of being crowned Prom Queen, of sitting in the Bookroom during lunch, etc.

Western Hills has many different clubs and activities that incorporate various lifestyles. A student can study French culture, discuss world affairs, learn to dance, or ride a bike.

Studies, however, demand the most time of a student. Many late nights are spent cramming for the next day's tests. Much time is spent in both the Library and the Media Center researching term papers. Ways are also found to combine studies with pleasure; such as lab book parties and German class food days.

Perhaps the most obvious aspect of life at West High is connected with sports, in both watching and participating. Whether an overwhelming victory or a crushing defeat, the battle song can be heard coming from the stands.

DePollo performs at half-time show. *Top Left:* A touch of humor is displayed on Mr. Weil's door at Christmas. *Bottom Left:* A pigeon rests during a busy day at West High. *Top Right:* Enthusiasum is displayed by students at the Elder pep rally. *Bottom Right:* Students work diligently on art projects in Mr. Wilson's room. *Far Right:* Co-captain Scott Maness bursts through spirit screen before the Oak Hills game.

Students' life a challenge

A student's life at West High is certainly not one of peace and serenity. There are many activities that take up much time. Although a large number of students do nothing but attend classes, a large minority keep school spirit at its peak.

The school spirit displayed, whether winning or losing, is something that West High students can always be proud of. Even with the dilapidation of the building itself and monetary problems, interested students tried to get the most out of their years at West High.

Sports touch many students

Too often only the varsity football and basketball teams are supported by the students and administration at West High. Including football and basketball, 22 sports (varsity, reserve, girls and boys) are available to West High students. Many of these so called "minor" sports have much success, such as the swimming and cross country teams.

Often only the finished product is seen at a sporting event. Many people fail to realize the time and effort put forth by students and coaches to make their sport a success. While success is the main goal, defeat is inevitable. Defeat, however, teaches the student how to be a good winner.

Top left: M. Meyers scrambles for a few extra yards before being tackled. *Bottom Left:* The swim team warms up before practice. *Top Right:* Members of the Hughes and West High reserve basketball teams scurry for the rebound after F. Snow blankets campus

The campus and building of Western Hills spent much of the year covered with snow. From January, in which over 25 inches of snow fell, to the end of February the snow lay on the ground. Along with the snow, temperatures of 10-25 below were not uncommon.

The extremely cold temperatures forced the closing of 15 Cincinnati public schools. Because of this, Western Hills was mysteriously transformed every afternoon of the third quarter into Dater Junior High School.

Top Left: The east wing juts out into the snow covered campus. Bottom Left: The bare, gnarled trees in front of the building partially cover the library windows. Top Far Right: An ice-covered window alerts students to the cold on the other side of the door. Top Center: An "abominable" snowman visits Western Hills. Bottom Center: Not even the vocational annex escapes the wrath of the snow.

Clubs develop interests

Many clubs at West High provided outlets for different student interests.

Student Council again had a successful year, sponsoring: Homecoming; the successful canned goods drive at Christmas; and Spring Week.

The band was faced with the task of raising over $16,000 for new uniforms. Selling popcorn and fruitcakes were but two of the money making projects undertaken by the Mighty Mustang Marching Band.

With the many clubs provided, students were almost certain to find one that fitted their needs.

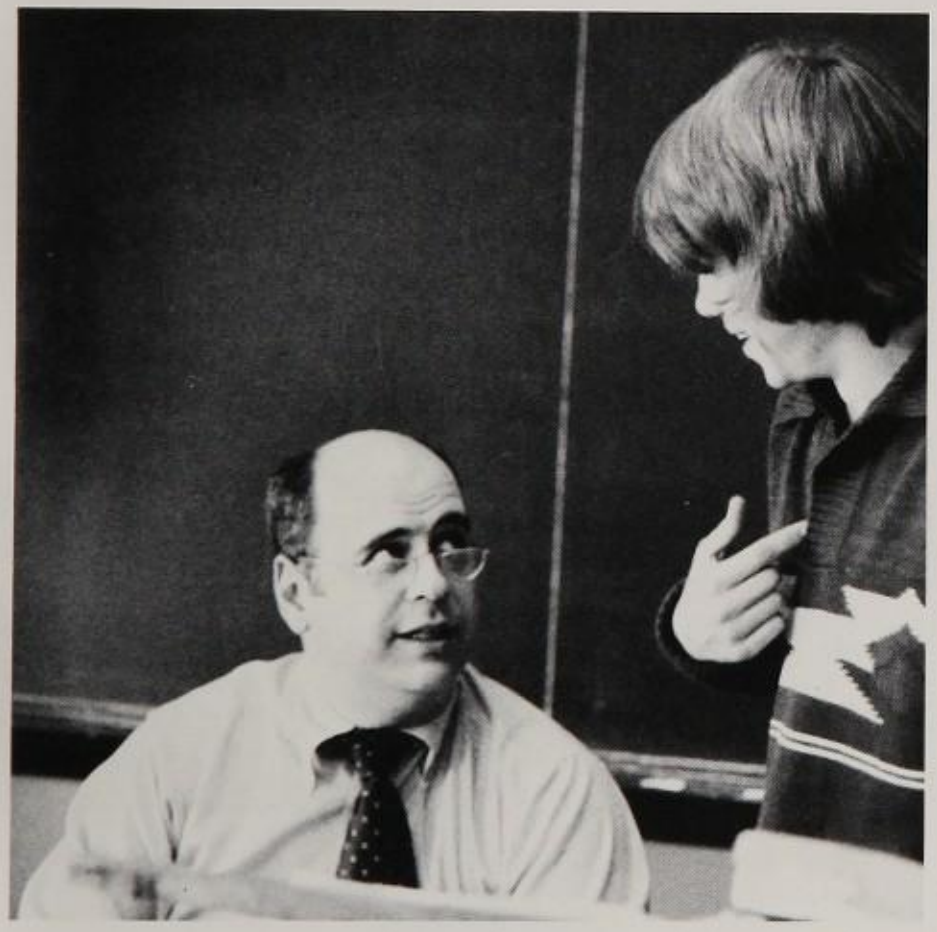
Voc. Ed. adds to choices

Class offerings at West High provided students with a background in many areas. Students could option the traditional academic schedule or the vocational training program.

Vocational training offers a wide variety of courses, ranging from auto body and food management to health careers.

Students optioning the traditional academic schedule could also take business courses along with other classes. Students wishing college credit for high school work enrolled in A.P. classes and took the A.P. exam in May.



Elections;

Dedication

Two of the major events of the 1976-77 school year were the Presidential election and the Arch McCartney Stadium dedication. For several weeks preceding November 2, banners and posters went up not only around the city but at the school also. People argued for either Ford or Cater, their choice for President. Carter ended up the victor.

One of the largest undertakings of the student council last year was the Arch McCartney Stadium dedication. The day was declared "Arch McCartney Day" in a proclamation by Mayor Bobbie Stern which was read at the dedication.

Gridders end season 4-6

Under second year Varsity Football Coach Pat O'Brein, the 1976 Mustangs turned in a 4-6 overall record, and a 4-2 record in the PHSL.

The Mustangs were handed losses by LaSalle, Colerain, Oak Hills, Elder, Woodward, and Withrow. The Mustangs overpowered league opponents Taft, Hughes, Walnut Hills, and Aiken. One of the highlights in the season was in the Aiken game, senior tailback Mike Meyer ran a spectacular 37 yard run for a touchdown and Phil Hargrove kicked the extra point to assure a victory.

Reviewing his second year of coaching at West High, O'Brein stated, "It's easier and the kids have a better attitude and more enthusiasm." Seniors John Kokaliares, Kelvin Marshall, and Mike Meyer were named to the All-League Team. O'Brein also cited Carl Heifeld, Tim Linde, and Keith Johnson as the most productive players. Captains of the team were Scott Maness and Kelvin Marshall.

Colts finish

2nd in PHSL

The 1976 Western Hills Reserve Football Team ended the season with a 5-3-1 overall record. They placed second in the PHSL with a 5-1 record, having lost only to Woodward.

After the gridders started the season with consecutive losses to non-league opponents LaSalle and Colerain, the team came back to win 5 of their next 7 games, and tied a game with St. Xavier.

Coach Bill Adams stated, "The most difficult thing about coaching sophomores is that you have to get them to think high school level football." Adams cited Scott Heitzman, Willy Carter, and quarterback Mike Sensel as the key players on the team.

Mid-season hurts booters

"We started well, ended well, but the middle we didn't play well at all," stated Mr. Steve Tapogna, Varsity Soccer Coach.

The booters compiled an 8-7-1 overall record and placed fourth in both the MSL and PHSL.

At the close of the year Dave Hoehn, Eric Wilke, and Don Wilke were selected to the MSL all-star team. Don Wilke was also selected to the all-city team, the first time a player from Western Hills has been chosen.

Spikers finish season 9-7

"When they were good, they were very, very good; when they were bad, they were lousy," remarked Coach Mary Busser. The 1976 Girls Varsity Volleyball team finished with an overall 9-7 record.

The spikers finished with a PHSL record of 4-2, only being defeated by Walnut Hills and Woodward. Since the record was better, the team must have been better, according to Busser.

In the PHSL Tournament, held at Western Hills, the team defeated Woodward 2-1. In the next round, the spikers were beaten by Taft 2-1.

"I thought we had some of the best talent in the city," commented Busser.

At Sectionals, the team defeated Amelia in three games; 16-14, 13-15, 15-13. After this win the girls went on to the Districts. They were defeated by McAuley 15-3, 15-4 to end the season.

Learning Colts finish 2-6-1

"It was a learning year," stated Mr. George Fee, Coach of the 1976 Reserve Soccer Team.

The team finished with a 2-6-1 overall record, three losses by one goal each. "The most exciting game was against Elder when we lost 1-0 in the last minute of play," added Fee. The two wins came against Sycamore 5-1 and Country Day 4-0.

Fee cited Charlie Robbins, Rob Bagby, Scott Eccard, and co-captains Mark Nichols and Joe Forte as outstanding players. John Work was the most improved. "The highlight of the year was the improved play of the team," concluded Fee.

"A true team"; finish 8-4

"They played better at the end than they did at the beginning," commented Coach Mary Busser of the 1976 Reserve Volleyball Team.

The spikers finished 8-4 on the season. According to Busser the team should be as strong next year as they were this year.

Seton was one of the tougher opponents according to Mary Garland, a team member. Seton defeated Western Hills 2-0. "They were good setters," remarked Garland.

Busser cited "a whole reserve team full of them" as prospects for next year.

Harriers win fourth straight

"Winning the PHSL and the fourth place finish at Sycamore," were the highlights of the year for the 1976 Cross Country Team, stated Coach Lou Dahmann.

Led by Junior Brad Smith and Seniors Ken Jones and Steve Vandergriff, the harriers won a fourth straight PHSL title. Jones, Vandegriff and junior John Williams were the team's tri-captains.

Returning five of the top seven runners, including Smith, Vic Sprague, the most improved sophomore, and Dave Liebing, a sophomore on varsity all year, Coach Dahmann is looking for an even tougher team next year.

Linksmen lose PHSL title

"After the sectionals we only needed one more win and we blew it," stated Miss Sandra Trifilio, Varsity Golf Coach.

The linksmen finished with a 6-2 league mark, good for second place. Both losses came at the hands of league champ Walnut Hills.

"We had very good golfers and we beat everyone once, except Walnut Hills and Oak Hills," added Trifilio. The team ended with an 11-6 overall record.

Netters served 2-7 record

"Actually, the season was not that bad," commented Coach Verlie Meyers about the 1976 Girls Tennis Team.

The team finished with a 2-7 record. Several of the matches finished with the opponents having the slight edge on Western Hills.

The closest match was against Oak Hills. Meyers added, "The last group finished always determines whether we win or lose."

Marina Abanto and Teresa Gruber were two of the outstanding players. They were defeated in the second round of state competition. Captain Cheryl Roy and Cheryl Sallwasser were others mentioned.

The team received new uniforms for this season. "No one was playing in better uniforms," concluded Meyers.

PHSL is goal of new Girls Swimming Coach

"My first year will be a definite success because all the girls are willing to work," stated 1977 Girls Swimming Coach, Gary Heinrich.

The tough opponents this year are Oak Hills, Mariemont, Walnut Hills, Seton, and Princeton. The only problem, according to Heinrich, is "beating these opponents." North Richmond, Mariemont, and Middletown are new opponents. Patty O'Brien and Sue McConihay are captains of this years squad.

Cindermen vie for Districts

"Our goal is to win the PHSL and qualify men for the Districts," stated Mr. Lou Dahmann, first year Varsity Track Coach.

Mike Meyer and Sophomore George Cannon will run the 100 yard dash. Seniors Bob McNair, Joe Collins, and Mike Lawall and sophomore Vic Spraque will vie for the 440. Brad Smith will run the 880 with Jeff Hopkins doing the mile. Ken Jones will hold down the 2 mile. Jeff Hanlon, Charles Gloss, and Mike Owens will high jump. Sophomores Matt Smith And Guy Fortner will pole vault. "We are generally strong in the distance events, but I think we'll pick up surprise points in the discus and shot," added Dahmann.

Meyers hopeful about season

"The baseball team hitting us with balls is our only problem," stated 1977 Girls Track Coach Verlie Meyers.

The positions secured at this time are Joni McCullough at hurdles, Mary Masminster at the mile and the 880, Tara Sunderhaus at shot and discus, and Rhoda Fowler at discus.

According to Meyers there are four major goals. The goals are to win as many meets as possible, to win the PHSL, to win the Best Of The West, and to send people to state.

"We are beginning with more material than we have ever had on the team," concluded Meyers when asked about a successful year.

Championship relies on play of seniors

The 1977 Varsity Baseball Team, trying to improve on last years record of 23-10, will depend on seniors for leadership.

All-city pitcher Steve Nesmith and third baseman Greg Kramer are the only two returning starters. Brent Nichols will be trying to imporve his pitching record. Jay Grant, Bob Benoit, John Reed, and catcher Ross Varland will move into starting assignments.

Seitz, Linde lead netmen

The 1977 Varsity Tennis Team will be led by junior Jim Seitz and senior Captain Tim Linde. "I think that if Seitz develops properly he has a chance for the state tournament," commented Coach Art Weil.

The netmen play their first three matches of the season in the newly built West Side Raquet Club because, according to Weil, "The weather at the first of the year is doubtful. We want to get in our first few matches." The toughest competition is expected from league foe Walnut Hills and rival Oak Hills.

Colts after winning season

"The reason for reserve ball is to prepare players for varsity ball," stated Reserve Baseball Coach Bill Adams.

The Colts have a tough schedule with GCL teams LaSalle, Elder, and St. Xavier and Colerain, a county school, providing the toughest competition. "I expect to have a winning season, even though we have to play some good teams," Adams concluded.

Top: M. Faulkner awaits the throw as M. Stamey slides in. *Middle*: M. Nichols settles under a fly ball during practice. *Bottom*: The reserve team gets in shape by running sprints.

"Tough" teams; Hughes, Walnut and Withrow

"The season can only get better if we improve our won-lost record. We won the PHSL last year—that was good. But we also lost five varsity starters," stated 1977 Varsity Softball Coach Mary Busser.

The goals for this season are to win and to learn to play the fast pitch game according to Busser. "Everyone in this area will be playing fast pitch for the first time. This could produce long games bacause of the poor skill levels," commented Busser.

Returning varsity players include Sue Roth, Peggy Newkirk, Julene Taylor, and Karen Walker. New opponents in the PHSL are Taft and Walnut Hills.

Grapplers pin PHSL crown

"Winning the league tournament was the most exciting match of the season," stated Varsity Wrestling Coach, Pat Eagan.

The grapplers copped the league crown for the second consecutive year, capturing four first places and four second places on the way. Mendo Anevski, Tony Moore, Co-captain Scott Maness, and Theo Lucas won first places. Paul Kiely, Bill Hofer, Tay Boyle, and Darrell York took seconds. Anevski, Boyle, Lucas, and Co-captain Frank Wagner also qualified for the district tournament at the close of the season.

Raudabaugh new Reserve Coach

"If we can learn from this year and apply it to next year; then yes, it was successful," stated Coach Susan Raudabaugh of the 1976-77 Girls Reserve Basketball Team.

The team finished the season with a 1-2 record in the PHSL and a 2-10 record overall. The most exciting game was the 20-13 victory over Withrow. The leading scorer was Mary Garland and the leading rebounder was Lisa Weiler.

When asked about prospects for next years team, first year coach Raudabaugh concluded, "All of the reserve team members are prospects for next year's varsity team."

Handlon, Lee lead Colts

"The two wins over Withrow, a win over Purcell, and the improvement of Bob Schaller and Pete Stefanou," were the highlights of the year, stated Reserve Basketball Coach, Mr. Bill Moreland.

The Colts started slowly, losing the first five games of the year, before beating Walnut Hills and Purcell. Then came a loss at Aiken, a win against Withrow and a loss to Hughes. After leading at half the Colts lost to St. Xavier and then beat Withrow. "I was disappointed for the main part because we lost leads in some of our league games that we possibly could have won," added Moreland. Mike Handlon was the leading scorer for the Colts and Gary Lee led in rebounds.

Cagers share League crown

The 1976 Varsity Basketball Team shared the PHSL with a 10-2 mark and finished the regular season with a 14-4 record. The cagers won the league for the first time in 16 years.

Senior Tom Schneider led the Mustangs in both scoring and rebounding. Roger Ryan was second in scoring and Scott O'Hara averaged over 10 points a game. Brent Nichols led the team in assists and Jay Grant led in steals. Zeke McIntyre directed the Mustangs attack.

The roundballers beat Oak Hills for the first time since 1970 and also defeated highly ranked LaSalle 71-64.

Cagers have losing season

The 1976-77 Girls Varsity Basketball Team was coached by Mr. Bill Adams this year. According to Adams his first year as coach was "different but rewarding."

In the PHSL the team finished 2-4 on the season. Adams is hoping to "come out of it" by the end of the whole season.

Adams cited some outstanding players as Patty Zumwalde, who averaged 8 points per game. Sue Roth, a junior, was captain of the round-ballers.

When asked about prospects for next year Adams stated, "We have a good reserve; I look forward to a faster, more competitive team."

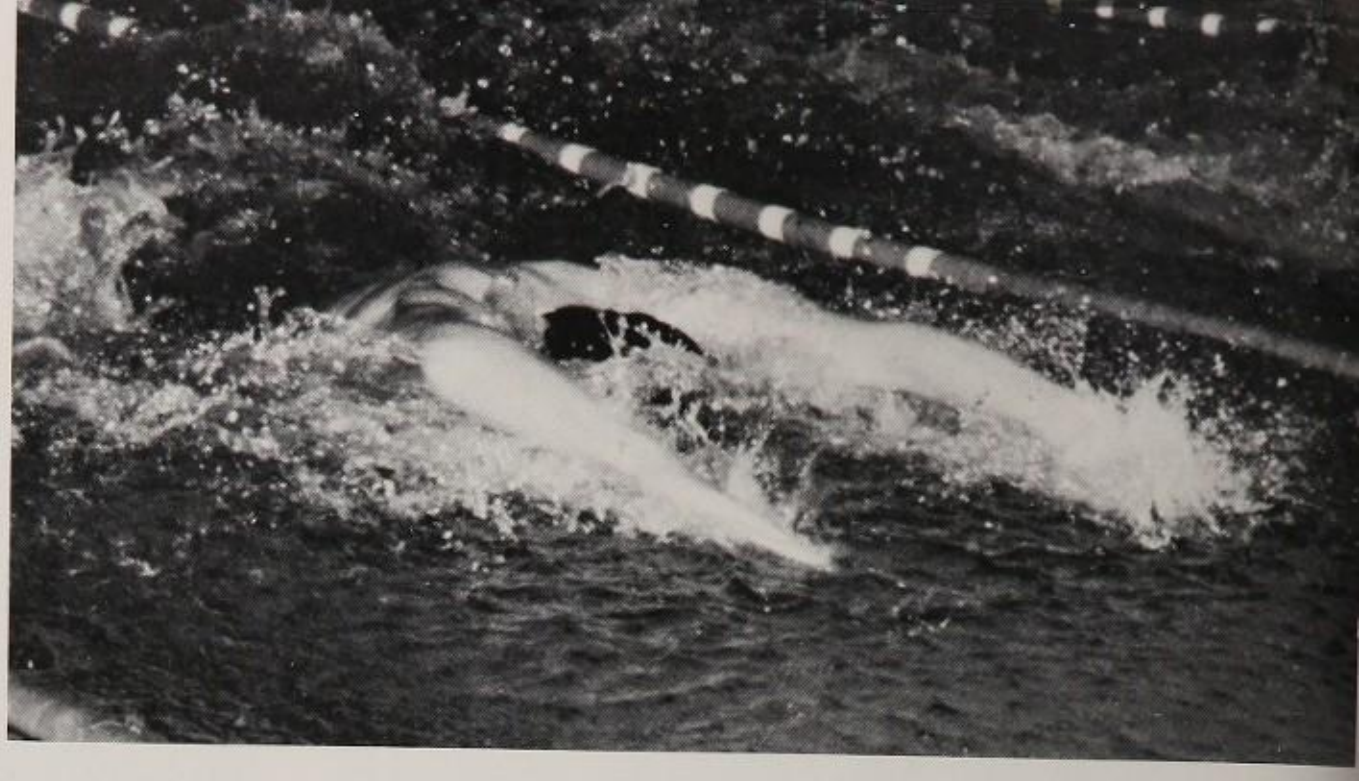
Mermen retake PHSL crown



The Western Hills Mermen, led by tri-captains Jim Lewis, Ed Stoehr, and Tim Holtman recaptured the PHSL title from Walnut Hills. "We depended on our depth, that's what won the meet," stated assistant Coach Tassos Madonis.

The Mermen finished the season with a 9-1 dual meet record and were ranked fourth in the city. A second place finish in the Best in the West, a second in the Western Hills Relays, a third in the Mariemont Invitational, and a fourth in the Anderson Relays were also some achievements.

STUDENT LIFE

Split schedule reinstated

On Wednesday, September 8, 1976, Western Hills High School, the second largest three year high school in Ohio, opened its doors to over 3400 students. Lost sophomores, not knowing which way to turn, clogged up the stairways and halls. The first few days many students were late to their classes. Orientation assemblies were held to familiarize new students with school policies.

A split schedule was reinstated this year to reduce sophomore study halls. Juniors and seniors started at 8:18 AM while sophomores started at 9:16 AM. Homeroom was held after first bell and school remained in session until 3:00 PM.

Because of crowded lunchrooms, students found the 35 minute lunch periods hardly long enough. The lunchroom in the main building added a milk line and used signs to divide the lunch lines.

Despite crowded conditions, the 76-77 school year started off smoothly and many students became involved in extracurricular activities.

Folk Festival shortened

"Folk Festival was a lot shorter this year," stated Elaine Madonis, chairperson of the 1976 edition of Folk Festival. "Instead of the usual 25-30 acts we only had 15," continued Madonis.

Auditions were held on October 4 and of the 40 people who tried out 30 were chosen to perform. The show was held in the school auditorium on October 29 with the WHHS Jazz Ensemble doing a pre-show in the front hall.

This year's show consisted of 13 vocal acts and 2 musical acts. "Back Together Again" an original vocal number, was composed and performed by sophomore Shawn McMullen. Guitar soloist Roger Vaught played "Mood For A Day/ Stairway To Heaven" to add variety to the show. To end the program, the entire cast sang "Love Is Everywhere."

"We had a real good turnout this year, even better than last year," concluded Madonis.

Homecoming festivities continue

Homecoming festivities began Wednesday, November 24, with the annual Pow-wow. The band, cheerleaders, football players, and students paraded around the front circle and proceeded to the student parking lot where the Pow-wow fire was kindled. An Elder dummy was thrown into the bonfire by football players as the crowd cheered. Following the Pow-wow a band-sponsored disco canteen was held.

The parade preceded the 48th annual Homecoming Game on Thanksgiving morning. The junior class float was chosen as the best float for West High. Floats were judged on the basis of originality, relevence to the game, and neatness.

The traditional West High-Elder rivalry was held for the 4th consecutive year at Riverfront Stadium. A crowd of just over 12,000 was the smallest of the four games held at Riverfront. Homecoming activities ended November 26 with the annual Homecoming Dance.

Duffey and Nichols crowned

The annual Homecoming Dance was held November 26 at Convention Center from 9 PM to 1 AM. "Your Song" was the theme of this year's dance with music provided by the "Wes Neal Band."

Brent Nichols and Mary Duffey were elected the Homecoming king and queen. Each was chosen from a field of five finalists. "It felt great to win, but I was embarrassed dancing in front of all those people," explained Nichols after the crowning. "I wanted to go out and get something to eat," laughed Duffey.

"It went better than I thought it would," stated Dance committee chairperson Teri Harting about the 1976 Homecoming. "This is the first year that I had a lot of backing from the committee," Harting continued. Holly Nebot and Michelle Noll were co-chairpersons.

"Spirit is contagious"

"School spirit in relation to football games seems to have improved greatly," stated cheerleader captain Mary Duffey. "One reason for the improved spirit is because of the enthusiasm of the Bleacher Bums, drill team, and band. Their displayed spirit is contagious!"

The cheerleaders attended an all week camp at Heuston Woods from July 26-30 and were awarded "The Spirit Stick" for the fourth consecutive year. "We were awarded the stick because of our pep and enthusiasm all week long," explained Duffey.

Sponsorship of the annual Mr. Western Hills Canteen was taken over by the cheerleaders this year. According to Duffey, GAA sponsored the canteen in the past but because of the expansion of girls' varsity athletics, GAA is no longer in existence. To finance the canteen, the group held several other canteens, a jewelry sale, and cheerleading clinics for elementary and junior high school girls.

Six year sponsor Miss Patricia Slattery stated, "One major goal is to do less performing cheers. I feel that we are closer to that goal than we've been in the past five years."

Winter dinner theater added

"Everybody has an opportunity to do something to have fun," commented Mr. Richard Schwartz about West High's theater group, Theatre Expres. According to Schwartz, Theatre Expres is the largest after school activity with 75 active members. The group premiered the fall play, "Scapino!", and presented a winter dinner theater in La Terrace in the vocational building.

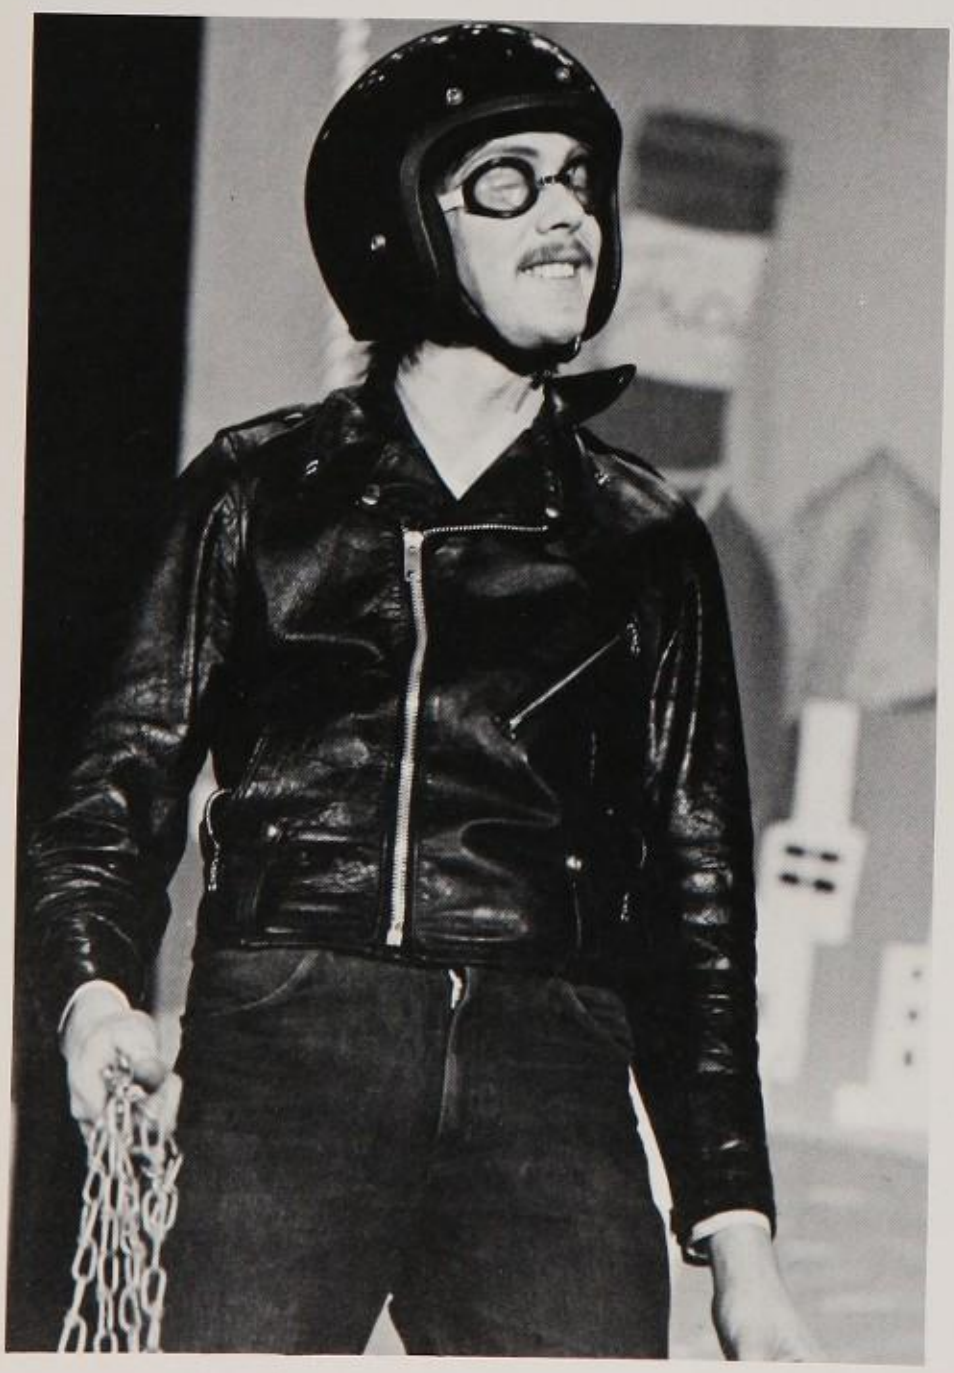
CINZANO



"Scapino!" premieres

"Scapino!," an Italian slapstick comedy, was premiered in Cincinnati by Theatre Expres November 19 and 20 in the school auditorium. "I wanted to get away from the traditional high school play," explained director Mr. Kipp Schwartz.

Scapino, the "double dealing rascal," involves himself in the adventures of two friends, Ottavio and Leandro. Ottavio, son of the wealthy merchant, Argante, marries a young girl named Giacinta. Ottavio then finds out that Argante has arranged for him to marry the daughter of Geronte, another wealthy merchant. In the meantime Leandro, Geronte's son, has married the enticing gypsy, Zerbinetta.

With the help of Sylvestro, Carlo, and the dockside scene of Naples, Scapino cons the situation to its hilarious conclusion. Giacinta, as it turns out, is the daughter of Geronte by a previous marriage and Zerbinetta is the long lost daughter of Argante. Both marriages are all right and all's well that ends well.

Liz Youngs was student director of the production. "Overall we had a lot of fun," concluded Schwartz.

Snowfall causes problems

Cincinnati experienced the worst January in recorded history during the winter of 1977. Sub-zero temperatures and continuous snowfall were the contributing factors to an unforgettable month.

The record breaking 30.3 inches of snowfall resulted in a number of problems. Cars were stuck in the parking lots, Metro and yellow school bus service was cancelled for several days, and even school was closed for seven days. Attendance was down during this period of cold, snowy weather. With bus service cancelled, many students could not get to school and tardiness was unavoidable. Students who walked to school went through the day with wet feet.

Class sizes were reduced because of innumberable absences. Substitute teachers were called in for as many absent teachers as possible. Some classes had to have study halls during some classes for lack of substitutes.

During off days students enjoyed winter sports. Some courageous students ventured out onto the frozen-over Ohio River.

Gas shortage forces split schedule

The natural gas shortage in the Midwest during the winter of 1977 altered the lives of most people. The Cincinnati Gas and Electric Company was forced to cut back on the natural gas supplied to large consumers. The lack of natural gas forced many schools to shut down and many businesses to curtail hours. Over a million Ohioans were laid off as a result of the energy crunch.

Fifteen Cincinnati Public Schools were compelled to close for lack of gas used for heat. The Board of Education devised a plan whereby the fifteen schools could "double-up" with the other schools that remained open.

Dater Junior High School, one of the fifteen schools closed, "doubled-up" with West High. West High students attended school from 8:00 AM-12:00 PM. Dater students attended classes from 2-6 PM. The shortened hours resulted in shorter classes and the omission of a lunch period.

The shortened day caused many problems for everyone. Teachers fell behind on teaching schedules; West High administrators and secretaries had to "move-over" and provide office space for the Dater people; West High's extracurricular activities were affected because West High students had to be out of the building by 12:30 PM; Dater students had to carry coats, books, and other supplies around all day because locker space was not available; homework was, on the most part, increased because of the shorter classes; and the list of problems could go on and on and on. Few people saw any bright spots during the energy crisis.

Bandwagon in two sections

May 13 and 14 will be the dates of the 1977 Bandwagon Musical. Bandwagon will be divided into two sections this year, one section revolving around a "disco" theme and the other a "fifties" theme.

Three days of auditions were held; one for dancing, one for singing, and the other for variety acts. Practices were moved from the auditorium to a dance studio because of the split schedule.

Miss Kathy Panoff, new band director and Bandwagon sponsor, expects Bandwagon to be a financial success as it has been in the past.

Jean Waholan is the danceline choreographer. "She's an excellent choreographer, and I think she'll do a very good job," stated Panoff.

Students learn workings of city government

Fifteen junior girls attended a four day Girl's Week program. The girls were chosen by a system based on a speech each girl delivered to a panel of judges. Kim Rehme was chosen as Western Hills' councilmanic candidate and Amy Alexander was chosen as alternate.

The Girl's Week program is designed to encourage girls to learn about city government and services; to become aware of social and civic issues, and to emphasize career opportunities for women in city government.

Senior Dave Cosgrove was selected West High's Boy's Week representative. Cosgrove was chosen on the basis of a 300 word platform that was submitted to a panel of judges.

"My speech proposed mandatory tests of basic skills to be administered to all potential high school graduates. According to the proposal, a diploma would not be rewarded if a passing grade were not achieved on the test," stated Cosgrove.

Renshaw Seeks Improvement In Building, Spirit

"Things have been going very well this year. There seems to be a better feeling between students," stated Principal Marvin Renshaw. It reflects a nationwide trend of students being more interested in education. "This involves a clamour developing from the back to basics; removing the frills in education, and setting minimum requirements to receive a high school diploma," added Renshaw.

Things are on the upswing. Overall discipline has improved. Renshaw added, "There are so many good kids that it makes my job a happy one."

Renshaw stated that spirit isn't as good as it should be, but it's going to improve. "I'm optimistic about the future. We need some improvement not only in spirit but remodeling and curriculum. I also plan to get the community, students, and teachers more involved," concluded Renshaw.

Assistant Principals

A Goals and Objectives Committee was formed this year at West High. "Students, teachers, administrators, and parents talk over problems in the school and find solutions without spending money," stated Assistant Principal Anderson Owens.

One problem faced by the committee was study halls. "Students just don't utilize it. I suggest we have subsequent classes in order to distinguish between those whose definite purpose is to get an education and the students who are just soaking up heat," commented Assistant Principal Francis Dowdell.

Tending to the Vocational Building was Brown Ward. James Bruckmann was in charge of substitute teachers and tenth grade discipline.

SC welcomes Mr. Weil as new advisor

The new Student Council advisor this year was Mr. Art Weil. "I thought I'd enjoy doing it because I like new experiences," explained Weil.

"I do not think the advisor should tell Student Council what to do," added Weil. "The advisor is there for the officers to use when they need someone of experience to guide them."

The formal dedication of Arch McCartney Stadium highlighted Student Council activities this year. President Tony Hustedt presented a stadium seat and blanket to McCartney during the ceremony at the West High-Woodward football game.

Other activities sponsored by Student Council included a Folk Festival, Homecoming and Spring Week.

Committees plan an active school year

The Student Council Committees organized many activities during the year. These activities included pep-assemblies, student exchanges, school elections, the Pumpkin Fest, and Parents' Recognition Night.

"The majority have done a great job," remarked Student Council President Tony Hustedt about the Committee Co-chairpersons. Hustedt and other officers appointed the chairpersons last spring.

A new Human Relations Committee was added to the Student Council this year. The purpose of the committee is to improve relations between the different races attending West High.

Student Council Recognition ribbons were given only on Tuesdays this year. "It's more organized, just once a week instead of every day," commented Recognition Co-chairperson Kim Schaible.

Panoff new band director

A new director, Miss Kathy Panoff, took charge of the Mighty Mustang Marching Band this year. "I enjoy every single minute of my teaching and take a great amount of pride being in charge of this organization," Panoff stated.

"She has really got this band's stuff together by making us the most disciplined band in the city," remarked band member Mark Stanton.

Along with the Majorettes, the band performed at all football games. The band also took part in the Harvest Home Parade, Folk Festival, the Christmas Concert, and Bandwagon. Fund raising activities included a disco-dance, fruitcake sale, and carwash.

The Band Letter Club functioned as an executive board for the band. President Jeanne Runkle headed the twenty-five member club.

Westernette officers place first at UC

The Westernettes attended a drill team summer camp at the University of Cincinnati and Ohio Wesleyan. The officers placed first in the competition at UC.

The girls practiced four times a week during the football season and two times a week during the basketball season. "This year was kind of hard because we had to adjust to a new band director. During the football season, band and drill team practices weren't at the same time. But I feel we did a really good job," stated Captain Debbie Fisher.

A Western hat sale raised money for new props and uniforms. The girls also had some carwashes and sold items at a flea market.

Participation key to Hi-Y

"Hi-Y gives guys a chance to participate in activities and athletics that they would not be able to if they were not playing a varsity sport," explained Hi-Y president Jim Kyrios. This year, the guys participated in soccer, basketball, volleyball, and softball.

Other Hi-Y activities included a sixteen mile walk-a-thon, "Miles for Mankind," and a Thanksgiving turkey raffle-pencil sale. In April, ten Hi-Y delegates participated in "Youth in Government" at the state capitol in Columbus.

A new advisor, Mr. Pat Eagan, sponsored Hi-Y this year. "We are grateful to Mr. Eagan; he did a great job for his first year," stated Kyrios.

Spirit groups support sports teams

The Pin-ups held a paper drive, sold candy, and ran the refreshment stands at home football games to raise money to pay for new uniforms. The uniforms cost over $1000 according to Captain Theresa Gruber. The girls cheered and kept score at all wrestling matches and painted spirit signs to post around the school.

The Trackettes assisted at cross country and track meets, doing clerical work and keeping statistics. Candy sales raised money to pay for uniforms. This year's captain was Marlene Kappa.

The Mermaids officiated at all home swim meets, acting as diving and stroke judges. The girls also cheered at away meets and made pins for the swim team. A candy sale and some bakesales helped to finance the girls' new uniforms.

Soccer ball girls form new group

A new organization, the Goalgetters, was formed this year. These girls assisted at home soccer games: retrieving soccer balls, spotting for the public address announcer, running the clock, and selling tickets. The varsity soccer coach, Mr. Stephen Tapogna organized the group "to get more student participation in the soccer program and to help with some of the mechanics of running a soccer program."

Last fall, the Bleacher Bums led a campaign to boost spirit for the Thanksgiving Day, West High-Elder football game. Signs posted around the school urged, "Thanksgiving Day, have Elder pie," and "Have Elderburgers this Thanksgiving." Money making activities financed a new ticket booth for the front hall.

The Shortstops cheered this year at home varsity and reserve baseball games. Money making projects included bakesales and a candy sale. At Easter, the girls raffled a stuffed bunny.

School spirit annual in '77

A school spirit theme, "Western Gallery" is featured in the *1977 Western Hills Annual.* The yearbook cover carries out the western motif with horseshoes and the school colors, maroon and cream.

"During our two years at West High we've never had a maroon and cream Annual," explained editor-in-chief Don Dickerson, "and many people have asked me to make this book maroon and cream."

The new Annual advisor, Mr. John Wilson, instigated some financial cutbacks in the budget this year. Wilson explained, "We have to live within our income, can't spend money freely, and run in the red all the time." Dickerson added, "The staff this year is really good and even with the cutbacks we can put out a quality yearbook, comparable with any other."

The faculty section, for the first time ever, includes informal pictures of each teacher. Varied picture sizes provide different layouts for faculty pages.

Adelman moves into Room 115

A new *Breeze* advisor, Mrs. Dorinda Adelman, took over in Room 115 this year.

Adelman, during this first year strived to make the *Breeze* a "really professional newspaper where a mistake is something out of the ordinary." The *Breeze* and individual articles entered several newspaper contests, including "Post" and "Quill and Scroll."

Editor-in-chief Cindy Graeter and five other members of the staff attended a journalism workshop at Ohio University in Athens, last summer. According to Graeter, the workshop gave the staff "good ideas and new information."

The paper was typeset at the "Press" and printed in the vocational print shop. Graeter explained, "We don't have the whole thing typeset here because we don't have enough people who can do it and do it fast enough." The sports page was the only page typeset at school.

New gospel group formed

A new choral group, the Gospel Ensemble, was organized this year under the direction of Mrs. Mary Schneider. The group rehearsed after school two times a week. The ensemble performed in the Afro-American Week assembly.

The Studio Choir sang the National Anthem at home football games. "We had a pretty busy Christmas schedule this year," commented Studio Choir President Liz Youngs. The choir performed at shopping centers and hospitals during the Christmas season.

The Senior Choir performed at the Christmas concert and graduation. All choirs sold "Alleluia" Christmas albums to raise money for a sound system.

Jazz Ensemble plays at Folk Festival

Western Hills Orchestra welcomed a new director this year, Miss Kathy Panoff. The thirty piece orchestra performed for ten different events, including the Christmas concert and concerts for the junior high schools.

The Jazz Ensemble was a new addition to the Folk Festival last fall. The ensemble played a pre-show performance in the front hall.

The Pin Club, the orchestra's executive board, had fifteen members this year. Members are chosen on a point system. The president was Connie Harder.

Clubs make languages fun

Just as in ancient Rome during the years 509-31 B.C., Latin Club had two co-consuls this year, Bill Geiger and Jim Kyrios. In November, Latin Club sponsored a hayride to Winton Woods. One meeting each month featured entertainment with a play.

The Spanish Club sold candy and poinsettias to help finance lunch at the restaurant, La Contina. Members celebrated Christmas at a party with pinatas filled with candy and money. The club also participated in the International Dinner.

The French Club president for the second consecutive year was Dana Bidzos. According to Bidzos French Club had "alot more people this year." The club won third prize in the Student Council Pumpkin Fest with a pumpkin named Lady Marmalade. Other club activities included lunch at the Maisonette and the International Dinner.

German language students did not form a club this year. "We try to include these activities in our classes," explained German teacher, Mr. Shackelford.

Clubs for all

Chess Club this year was the "largest we've had in West High's history," according to President David Sellers. The top eight players served as the varsity team and competed against other schools. The club sold peanut butter cups to raise money for clocks, chess boards, and tee shirts.

"The Red Cross Club seeks to make students aware of the many community and local services they can perform on a voluntary basis," stated sponsor Mrs. Dorothy Coleman. This year the club visited nursing homes and hospitals. To raise money the group held bakesales and a popcorn sale.

The Bike Club president for the third consecutive year was Rick Stuebing. During this year, the club pedaled bikes ranging from twenty miles to five hundred miles. Certain members of the club also rode for the racing Bike Team.

Junior Council on World Affairs discussed current international and political affairs at the meetings held during this year. Last fall, JCWA President Connie Harder attended a seminar on "Rich Nations-Poor Nations, How Can a New World Economy Come from Their Conflict?"

Voc clubs

The HERO Club is for food management and clothing students. This year HERO raised money running a bakery called "Our Bakery".

VICA is open to students of welding, electronics, printing, dental assisting, and medical technology. "VICA teaches a student how to live and work with others and fosters a respect for the dignity of work," stated advisor Mr. Ramsey.

OEA is open to students of any vocational block. The club participates in local and state elections and competition.

DECA is a club for vocational merchandising students. DECA money-making projects include selling potato chips and West High jackets.

ECO is a branch of FFA open to environmental health students. This year the group went on a camping trip to Portsmouth. To raise money the group held a paper drive and sold terrariums and hanging baskets.

Quarter courses not optioned by Sophomores

"Quarter courses were offered only to the eleventh and twelfth grade students this year," stated Mrs. Phyllis Jaegar, English Department Chairman.

A four quarter English course was required of academic sophomores. Comprehensive students took three quarters of English and a one quarter reading course. "They were given a reading test and screened for the best possible placement," stated Jaegar.

Commenting on quarter course selections, Jaegar related, "I sort them all by hand. I try to give the students their first or second choice, but it doesn't always work."

More emphasis was placed on grammar and reading this year. Course offerings did not vary much otherwise.

Ms. Eleni Harritos, a new teacher, taught tenth grade English. Mrs. Janet Trout served as a part-time English and social studies teacher.

Students offered new course

A new course was offered this year in the Foreign Language Department.

Italian was presented as a two term course. Mrs. Elsa Kollmann taught the class. According to Mr. William Shackelford, Department Head, the course was well accepted by the students.

French, German, Latin, and Spanish added to the course offerings. Some classes consisted of combined levels. "Theoretically, we offer years one through six of Latin, French, German, and Spanish," stated Shackelford. "However, there was no sixth year German because we didn't have enough people signed up for it to justify it or combine it with another class," concluded Shackelford.

Students were taught using the audio-lingual method. "The students learn to hear and speak, read and write, more or less in that approximate order," explained Shackelford.

Students practiced skill development. Culture was studied as part of the courses also.

Changes abound within History Department

Five new teachers joined the History Department this year. The teachers consisted of Mr. Charles Beatty, Mrs. Therese Benken, Mr. Edward Oliger, Mrs. Janet Trout, and Miss Barbara Volz.

Observing further changes, Mrs. Jean Michaels remarked, "We had to drop many quarter courses because of scheduling problems." "A shortage of teachers and the economy measures of the school led to a cutdown in some courses," added Mr. Harold Hopping, Department Head.

An academic course in European History was added to class selections this year. Thirty-eight seniors optioned the Advanced Placement European History class.

"Many academic students feel that they are not challenged enough in the regular course offerings of the Department, so they elect the European Advanced Placement course. Not all seniors want their last year to be their easiest," commented Michaels.

Current Affairs, Sociology, Economics, and European History were considered senior courses. According to Hopping, World Culture, Mythology, and Anthropology were also emphasized this year.

Such quarter courses as Black Culture and Psychology rounded out the curriculum.

Courses equip students for college; jobs

"The purpose of the business courses is to provide training for students to become proficient in a skill that will provide a good living wage, so that they may be able to live and do the things they wish to do as good citizens," commented Miss Mildred Constant, a shorthand teacher.

Constant continued, "It also provides skills for college-bound students so that they may earn as they learn. Also, they can take shorthand notes in college classes and be able to transcribe the notes of the lecture for further study."

Accounting, Bookkeeping, Business Law, and Business Math formed some of the offered Business courses.

Typing I, Record Keeping, Sales, and Shorthand rounded out the curriculum.

Students seemed mainly oriented toward jobs. Grammar, spelling, and math were emphasized in each course.

Computer Math returns

Miss Julia Starbuck joined the Math Department this year. Starbuck taught Introductory Algebra, General Math II, and Intermediate Math II.

Commenting on other changes, Mrs. Theresa Penn, Department Head, stated that Computer Mathematics returned to the schedule of course offerings. Probability and Statistics was dropped because of scheduling difficulties.

Introductory Algebra, Introductory Geometry, Intermediate Math II and III, and Consumer Math formed some of the courses offered.

Geometry, Advanced Algebra, Advanced Math, Calculus, and Advanced Placement Calculus rounded out the course offerings.

Calculators were used in class according to teacher preference and course needs.

Student interest illustrated in enrollment

"In quarters three and four we had an Organic Chemistry course for academic students who had had a year of chemistry previously," stated Mr. William Huth, Department Chairman. Mrs. Virginia Hoffman taught the new course.

Chemistry, Physiology, Biology, and Physics were offered. Organic Chemistry, Botany, Zoology, and Physical Science added to the course selections.

Science courses involved lecture, discussion, lab demonstrations, and student laboratory. In regard to lab equipment, Huth remarked, "We are handicapped by limitations in storage space. In general, however, the basic essentials for a decent program are here."

Huth also expressed that, "Here at West High, the enrollment in sciences has been very constant in recent years. We have more students in the sciences than any Cincinnati Public High School except Walnut Hills."

Huth concluded, "Apparently this is principally because a larger portion of our students come from academically inclined families."

Students learn various skills

Medical Lab consisted of "... three class hours per day of laboratory work and an average of one and a half class hours per day of related classroom," stated Miss Sauers, Medical Lab instructor.

Students learned how to collect blood and test for various substances in the blood and urine. A new instrument used to measure carbon dioxide in the blood was added to the laboratory.

"The only major change was that we had a junior and senior program this year," commented Mr. David Kuhn, Environmental Lab teacher.

The senior class prepared to do a stream study of Muddy Creek. "Hopefully this will be an annual event in cooperation with the Data processing class," remarked Kuhn.

Environmental Lab consisted of three hours of lab and one and a half hours of related classes such as chemistry, biology, botany, and zoology.

According to Kuhn, students learned skills in basic laboratory techniques. Water and air testing, plant propagation, and small animal care were practiced also.

Juniors in Dental Lab learned to handle dental materials, work in the operatories, take x-rays, and impressions.

Seniors learned specific lab duties such as denture repair, gold casting, temporary crown construction, and other specialties.

Students obtain industrial skills

The Trades and Industrial section of the vocational program offered a variety of selections to students this year.

Courses such as Auto Body, Auto Mechanics, and Carpentry were offered. Drafting, Electronics, Welding, and Graphic Arts rounded out the program.

Printing methods were learned by students partaking in the Graphic Arts block. Students in Drafting covered areas of mechanical, architectural, and electrical structures.

Students in Auto Body and Mechanics were taught about the service and repair of various automobiles.

The main building also held some Industrial Arts classes. The courses offered in this Department were not considered part of the vocational building.

Course offerings consisted of Drafting, Electronics, Graphics, and Wood Shop.

Over-all rise in enrollment

Business occupations included in the vocational program consisted of Accounting and Computing, Business Data Processing, Clerical Services, and Steno-Secretarial, General Merchandising, General Office, and Typing and Related Subjects rounded out the program.

The over-all enrollment in business courses increased greatly according to Miss Mildred Constant. "We had fewer sections in one-hour courses and a few had been eliminated to give greater in-depth training in the vocational courses," remarked Constant.

No new teachers entered the program this year. Clerical Services and Typing and Related Subjects were offered to both eleventh and twelfth grade students for the first time.

"Each area is in complete use in the Business division of the vocational building," concluded Constant.

Pride displayed by new Director

A new personality entered the Music Department this year. Miss Kathleen Panoff replaced Mr. John Gasparec as Band Director.

Commenting on Western Hills, Panoff remarked, "I love it. There are some difficult times, but I always manage to get through. I've received a great deal of cooperation from my students, thus making my job even more enjoyable."

No new music courses were offered. However, according to Panoff, improvements were attempted on the existing curriculum.

The Band performed primarily at football games. Other performances consisted of the Harvest Home Parade, and participation in a Martin Luther ceremony.

Panoff concluded, "I feel that for the most part, everyone believes that I'm just the Band Director at West High. They must remember that West High also has an outstanding orchestra of which I am very proud. I feel that we have the best in the city."

Mrs. Mary Schneider chose the Studio Choir members. In addition, Senior Choir, Vocal Ensemble, and Mixed Choir were offered as part of the Choral Department.

Art classes consisted of levels I-IV. Classes met through all four quarters.

Top Left: Art students portray talents during Mr. Wilson's class. *Bottom Left:* Miss Panoff enthusiastically directs Band students in a piece of music. *Top Right:* Orchestra pupils practice diligently in the auditorium for the annual Christmas Concert. *Bottom Right:* Mrs. Schneider and choir sing carols around the Christmas tree in the front hall.

Co-ed classes required in gym

Co-ed classes were required of all gym courses this year. The change was made after a state equal opportunity requirement, known as Title IX was passed.

Courses were offered on a seasonal basis. Students voted on classes at the beginning of each quarter. Class sizes usually averaged thirty-seven students.

Mr. Pat O'Brien, Miss Mary Busser, Mr. Gary Heinrich, Miss Verlie Meyers, and Mr. Joe McNeil taught the Physical Education classes.

Health I was required of all sophomores. Seniors were required to option either Health II or Survey of Family Life.

The Home Economics Department offered Pre-Natal Care, Beginning Clothing, Advanced Clothing, and Homemaking.

Classroom, simulator, and road training provided the background for Driver Education and Training. The class was offered as a two-quarter course.

WCET-TV host of It's Academic

The "It's Academic" team appeared on WCET-TV this year. The program was sponsored by a grant from Proctor and Gamble.

Miss Gen Ann Harris chose the team members. WCET-TV provided questions used to determine the team. Students were chosen on the basis of questions answered and strength in such fields as English, History, and Math.

Approximately fifteen students tried out, according to Harris. Dana Bidzos, Dave Cosgrove, and Dave Sellers made up the team. Don Dickerson and Jim Wedig assisted the team.

The team defeated Aiken and Withrow in October. The team was defeated by Greenhills in the first championship game.

Cum Laude was determined by students' academic work in grades ten through twelve. Students were required to have taken eleven academic subjects. Candidates were selected from the upper seven percent of the senior class.

Daisy Chain consisted of the top twenty girls in the junior class. Selection was based on grades. Candidates were chosen in March.

Five officers lead Sophomores

Leading the sophomore class this year was president Mary Bidzos, with assistance from vice-president Joe Rolfes, secretary Debbie Wimmer, treasurer Tom Franke, and sergeant-at-arms Lynn Griffith. Sponsoring the class was Mrs. Benken, with Officer Simkins helping out periodically.

"Maroon the Panthers", the Sophomore's contribution to the Thanksgiving Day float competition, featured an Elder football player on a deserted island. When asked about class participation in the float building, Bidzos replied, "I think we have one of the most active classes and everyone turned out for all our projects. Everyone had a lot of spirit."

The class held candy sales, bake sales, and a raffle to earn money for the float and next year's prom. Another activity sponsored by the sophomores was a dance, open to the entire school. Class rings were ordered in February, and will be received next September.

Bird leads class of '78

Dave Bird took over the job of Junior class president this year. Other officers were Lori Heinzelman, vice president; Kathy Vidas, secretary; and Scott LeCompte, treasurer. Mr. Bill Adams and Miss Jan Worley sponsored the class.

"Flatten the Panthers", the junior's entry in the Homecoming parade was West High's winning float. The float featured two Western Hills football players rolling a roller over an Elder panther. The junior's worked on the float at Diana Dornbush's house. "There was not a lot of class participation, but the ones who came worked hard and well together," stated Bird.

A traditional prom was held on April 1 at Music Hall. The class earned over $1,000.00 for the dance. Money making projects included raffles and sucker sales at home football and basketball games, and bake sales.

Other class activities included continued sales of "Western Hills '78 We're Great" T-shirts, Christmas caroling, and a class outing toward the end of the year.

SENIOR

Having you in class was an experience I'll always remember: the great actor, comedian, & super cool guy.

Seniors excel in all aspects

President Peggy Gall, aided by vice-president Dana Bidzos, secretary Debbie Fisher, treasurer Karen Sweeney, and class sponsors Miss Sandra Trifilio and Mr. Louis Dahman headed the class of '77. Mlle Trifilio

"We really had hard working officers and advisors. I was astounded at the participation and enthusiasm of the whole senior class," stated Gall.

Seniors sold jerseys and candy to begin the year's activities. A special cheering section was organized for seniors only at athletic events. Other projects included selling buttons which said, "Take a senior home tonight", tassels, and After-Prom. Seniors also went on the annual class trip.

The class voted to enter a float in this year's Thanksgiving Day float competition. "We thought that building a float would be a fun way to promote spirit in the class," commented Fisher.

4 GUIDEPOSTS FOR HAPPIER LIVING

1. BE CONSIDERATE

Develop a sincere interest in people, their lives and their problems. Be understanding, and never build personal success at the expense of others.

2. HELP THOSE IN NEED

You will find few experiences so rewarding in life as the times you give a helping hand to folks in need.

3. CONTINUE TO LEARN

Stay mentally active, intellectually curious, receptive to new ideas. Education is a wondrous process continuing throughout life.

4. CULTIVATE THRIFT

Save regularly from the start. Thrift gives you an important extra margin for progress . . . for security . . . for success.

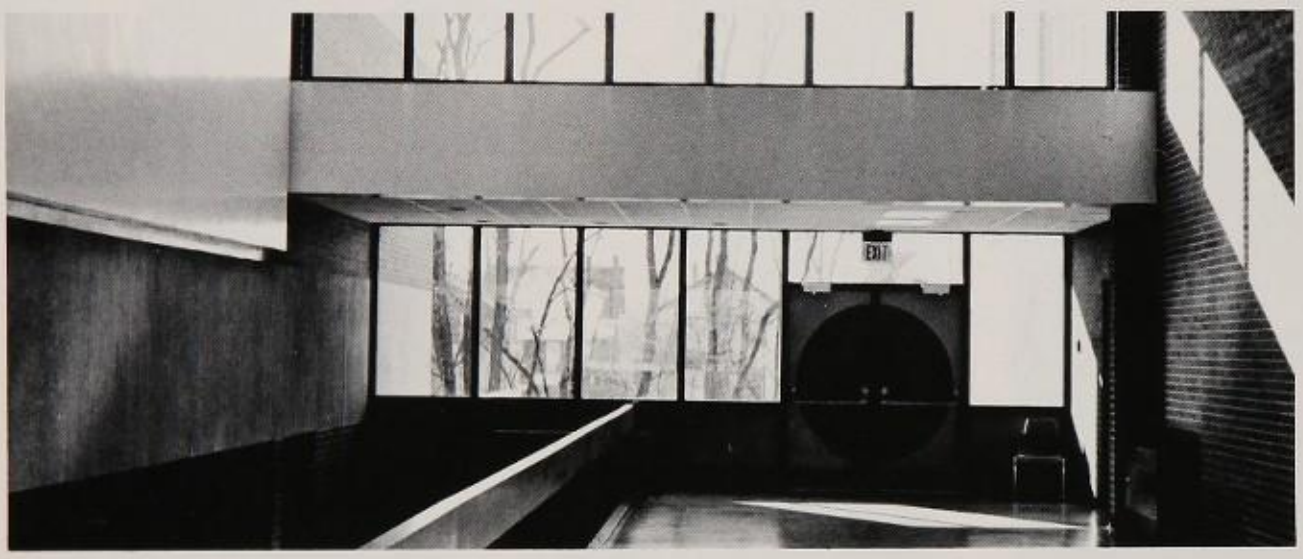
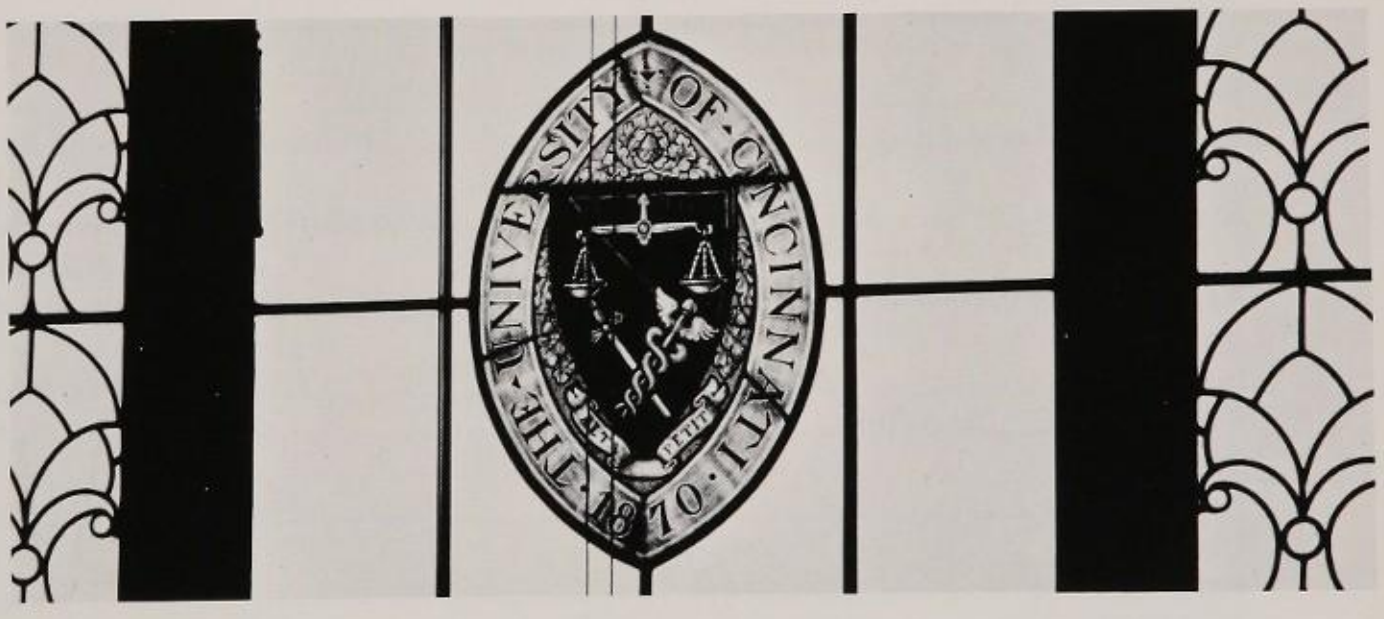
X–X-tra Work; Y–Youth; Z–Z-end!

Closing thoughts



With the close of another year at hand all the students have feelings about the future. The seniors have the challenge of college or stepping into the "big bad" world following graduation. The sophomores and juniors are faced with anticipation of summer vacation and the realization of returning to Western Hills for another year or two. The events of the 1977 school year and *Western Gallery* will remain a part of all who at one time belonged to the student body of Western Hills.

Far Left: An empty hall foreshadows the end of the school year. *Center:* The sun sets on Western Hills. *Bottom Left:* Student peruses a book in the library. *Upper Right:* A corridor slowly empties at the close of the day. *Far Right:* Library window in the setting sun.



Acknowledgements

Well this is it—The 1977 Annual is finally completed. The staff would like to take this opportunity to acknowledge those people without whom this book would not have been finished.

Thanks to Mr. John Jones, our Herff-Jones Yearbook representative who doubled as another faculty advisor.

Thanks to Herff-Jones Yearbooks for putting our book together.

Thanks to Osborne Photographic Laboratory for taking and developing many of the pictures.

Thanks to the Morehead University Journalism department for a whole week of unnecessary expense.

Thanks to Mr. and Mrs. Lemieux, Mr. and Mrs. Schewene, Mr. and Mrs. Gruber, Mr. and Mrs. Grathwohl, and Mr. and Mrs. Schaible for putting up with all of the staff and our antics through the work nights, Thanks to Mrs. Dickerson for mailing our book piece by piece.

Thanks to the Annual Journalism class for selling a few ads.

A special thanks to Mr. John Michaels who taught us all we know about journalism.

And thanks to Mr. John Wilson, our advisor, for taking the job at the last minute.

1977 Annual Staff

Editor-in-Chief
Don Dickerson.....(who can't even yell on key)
Operations Editor
Cherie Lemieux.....(who spent sixth bell in Luttmer's Lane)
Academic Editor
Karen Schewene.....(who didn't really fit in with our outspoken staff because she never spoke out)
Faculty Editor
Lynn Grathwohl.....(you still don't know how I found out your theme, huh Lynn?)
Laura Powell, Assistant.....(the staff smile)
Clubs
Marianne Kunnen.....("But there's no room for Vocational clubs")
Teri Harting, Assistant.....(sure you could spare an afternoon Teri?)
Boys Sports
Jeff Vetter.....(the staff stud)
Joe Tucker, Assistant.....(who was never seen without the sports page or Tracy)
Girls Sports
Kim Schaible.....(who also thought she was Senior editor, Boys sports editor, Index editor, Faculty advisor, etc., etc.)
Karen Sweeney, Assistant.....(who wanted to help but somehow never got the chance)
Student Life
Julie Gay.....(who knows fifty ways to dump a lover)
Ginny Winther, Assistant.....(the only assistant who assisted)
Senior
Kelly Gruber.....(who had a date the night of her own work night)
Underclass
Barb Johnston.....(sorry we had to keep the Pink Bunny out)
Gail Sullivan, Assistant.....(who never seemed to be around at the right time)
Randy Durbin, Assistant.....(who still likes "fly" paper, right Rando)

Randy Durbin.....(even though he wasn't supposed to be)
Denise Snyder.....(the staff's worst pledge and worst date)
Ken Jones.....(who??)
Assistants
Diana Dornbush.....(who was good at holding the fort)
Kathy Walsh.....(who was right on top of things along with Todd)
Faculty Advisor
Mr. John Wilson.....(who has to wait until next year to get his own way)

A real great guy
& know from 10th grade
history. Don't forget
Mr. Hof. and all the
fun we had in his
room with John.
& 'well & did eat
lunch with you
Good luck

To Tom
A guy who has the best personality and sense of humor. I'm sure you are a good friend so I hope you can get in touch, so me and you can go stay in touch and do some fishing. One of the toughest guys I know. So I know that you will succeed in life at whatever you decide to do.
Good Luck
